

Module 11 Exercise

Pick two enterprises from your farm to perform enterprise budgets with:

- There are many templates for enterprise budgets outlined in the Fearless Farm Financial book, pick a template or use your reports from your computer software to evaluate the two enterprises picked.
 - Livestock enterprise budget template, page 252 of the book
 - Ag Decision Maker budgets, <https://www.extension.iastate.edu/agdm/>, livestock and crop budgets
 - Fresh Market Vegetable Budgets: <https://fyi.uwex.edu/farmteam/fresh-market-vegetables/>

Questions to ask after completing enterprise budgets:

1. Did you have all the numbers easily accessible?
2. Do you need to keep a better job of keeping track of certain numbers within the budget?
3. What did you learn about a particular enterprise that surprised you?
4. How can you improve the profitability of each enterprise you looked at?
5. Would it be helpful to look at a few more enterprise budgets to help determine overall farm profitability?
