

Turtle Creek Gardens 2019 Employment Positions

TCG is a certified organic diversified/regenerative farm. We grow vegetables, CBD and Industrial grain hemp, grass-fed beef and pastured hogs. We're looking for a highly motivated, happy, team-oriented group of workers for our farm. Our positions include entry- to experienced-level positions, with room to learn and expand your skills in these various areas of production. We strive to create a culture of workers that reflects the farming philosophy we promote. Please visit our website at www.turtlecreekgardenscsa.com
