Coordinator: post-harvest inventory management, record keeping, communication

-
- Monday-Friday from 7-3:30 with flexibility to work until 5; 24-40 hours per week
 - Starting pay based on experience: \$9-12/hr. Friday market staff hours 10 am-7:30 pm
 - Summer positions: May 6th- August 16th or Season positions: May 6th – November 22nd

Desired Qualities:

- Teachable, able to follow instructions, alert to surroundings
- Punctual, reliable, and flexible
- Ready and able to work in a variety of conditions
- Honest, positive, and respectful
- Diligent work ethic displaying attention to detail and growing competency
- Readiness to farm

Please email your letter of interest and resume to: info@tempelfarmsorganics.com or call 847-244-5330 to apply.

Tempel Farms Organics produces certified organic produce, eggs, and apples on about 8 acres, rotated over 25 acres. We focus on soil-building, micro-biology and habitat preservation, diversification of

crops and companion planting, compost, working with natural systems, and making the best possible produce available to our neighbors.
