

**Interested in a career that breaks out of the 8-5 routine? Interested in a career that grows something that is good for people and good for the land on which it grows?**

**James Lake Farms, an organic cranberry grower and fresh packer in Three Lakes, WI, is seeking an energetic individual to join our team as a full time salaried employee. The position involves all aspects of cranberry culture and requires a diverse skill set.**

**Our product line includes both fresh and frozen organic cranberries. We sell both locally and have national distribution.**

**The ideal candidate would have an outstanding work ethic and willingness to learn. Mechanical and machine operator skills are a plus.**

**Competitive salary with benefits and company housing. Interested parties should send a resume via email to [JLFcran@gmail.com](mailto:JLFcran@gmail.com)**
