

Warehouse Foreman Position

Seven Springs Farm is seeking an energetic, experienced and highly organized individual to lead our warehouse team. This position includes hands-on warehouse operations and requires sustained physical effort on a daily basis. Physical fitness and an energetic approach to work are essential attributes.

Candidates must have experience and demonstrated skills with the following:

Safe forklift operation

Warehouse organization

Workflow efficiency evaluation/implementation

Inventory tracking

Crew leadership/management

Shipping logistics and associated documentation

This is a key staff position and requires a committed, team-first mindset.

—

Seven Springs Farm is a national leader in the Organic Farming industry. Our rustic farm and facility are located along the Blue Ridge in Floyd County, Virginia. We serve farmers and gardeners from down the road to Down Under. For more information please visit 7springsfarm.com.
